Fact or fiction, p. 139

Is the Loch Ness Monster real?

Experts say there may be a variety of explanations. Perhaps optical illusions created by wind or boats cause people to think they're seeing Nessie. [...] Maybe Nessie is actually a duck¹, otter², or swimming deer³.

What do you think? Is Nessie real? [...] Take a look at the evidence⁴, then decide for yourself. Maybe you'll be the one to solve the mystery of Loch Ness!

Sleeping outdoors, p. 143

Be a Cool Camper:

- Use a stove¹, rather than light a fire
- Use campsites when possible
- Leave nothing behind

How to camp

Scotland offers a wide range of managed campsites with facilities² for an enjoyable and comfortable visit, and these can be a much better option in busy³ areas. [...]

If camping elsewhere, you must be considerate⁴ to others and follow the Scottish Outdoor Access Code.

Évaluation – Guide pédagogique

From the picturesque highlands to remote¹ wild beaches, Scotland is the perfect place to plan the perfect camping adventure. [...] While wild camping is legal and popular, there are some important things you need to know before parking or pitching a tent for the night. [...] You can't just camp anywhere! Many parking lots have signs that say "no overnight² parking" or "no camping", and it is important that you follow the code. [...] Important: There will not be a toilet, a garbage or any place to fill or dump³ your water. This means you must prepare accordingly.
