Flash File The future in the past

Visitors' reactions, p. 121

"It is really nice to see the children enjoying it."

"It is the best castle ever because of the AR."

"That technology is "the future" for the region."

"It's really exciting!"

"It's not just for the kids, but for the whole community."

"There are real benefits for heritage, children and rural communities across Monmouthshire."
